10 rue Victorien Sardou, 75016 Paris

EDUCATION

- 2023 - PhD in Economics at **Sciences Po**
Focus on beliefs, information and preferences involved in school choice
- 2019 - 2022 MRes in Quantitative Economics at **Sciences Po & Sorbonne University** (GPA: 4.0)
- 2016 - 2019 Bachelor in Economics and Sustainable Development at **Warwick University** (First)

WORK EXPERIENCE

Pre-doctoral research fellow - Paris School of Economics Jul 2022 - Jun 2023

- **Project 1:** a meta-analysis of the impact of moral reminders on prosocial behaviors
- I also worked on a model and an experiment that test self- and social image mechanisms
- Joint project with [Nicolas Jacquemet](#), [Roberto Galbiati](#) and [Emeric Henry](#)
- **Project 2:** estimating the impact of school choice on social segregation.
- I leverage the opening of private middle schools in France to measure its impact on social segregation in nearby public schools

Internship in Policy Evaluation - ADE, Belgium Mar 2021 - Aug 2021

- Evaluated the effectiveness of European aid to developing countries for the European Commission

Internship in Banking - MLAdvisory, France Sep 2020 - Feb 2021

- Researched the impact of climate risks on the probability of default for systemic French banks

Internship in Development Economics - Namur University, Belgium Jun 2020 - Aug 2020

- Research assistant for [Catherine Guirkingner](#) and [Paola Villar](#) on the ERC grant "African Women"
